LIVE

WALK

Walk - Start

`walk_east_start`

Bai Mitko shifts out of his standing pose and commits his weight into the first east-facing steps.

FRAMES	RATE	DURATION	LOOP
16	**15 fps**	**1.07 s**	**No**

Directions: East source + mirrored west

Used by: Character controller - automatic walk selection

Source: `bai-mitko-walk-east-start.zip`

Start | Middle | End

LIVE

WALK

Walk - Loop

`walk_east_loop`

The repeatable middle section of Bai Mitko's east-facing walk, used while he crosses longer distances.

FRAMES	RATE	DURATION	LOOP
16	**15 fps**	**1.07 s**	**Yes**

Directions: East source + mirrored west

Used by: Character controller - automatic walk selection

Source: `bai-mitko-walk-east-loop.zip`

Start Middle End

LIVE

WALK

Walk - Short

`walk_east_short`

A compact east-facing walk cycle for short movements where the full start-loop-stop sequence would feel too long.

FRAMES	RATE	DURATION	LOOP
16	**20 fps**	**0.80 s**	**Yes**

Directions: East source + mirrored west

Used by: Character controller - automatic walk selection

Source: `bai-mitko-walk-east-short.zip`

Start Middle End

LIVE

WALK

Walk - Stop

`walk_east_stop`

Bai Mitko slows from his east-facing walk and settles back into a stable standing pose.

FRAMES	RATE	DURATION	LOOP
14	**15 fps**	**0.93 s**	**No**

Directions: East source + mirrored west

Used by: Character controller - automatic walk selection

Source: `bai-mitko-walk-east-stop.zip`

Start Middle End

LIVE

IDLE

Idle - Variant 1

`idle_east_1`

A one-shot east-facing idle performance used by the automatic idle pool before returning to the neutral stance.

FRAMES	RATE	DURATION	LOOP
25	**9 fps**	**2.78 s**	**No**

Directions: East source + mirrored west

Used by: Character controller - automatic idle selection

Source: `bai-mitko-idle-east-1.zip`

Start Middle End

LIVE

IDLE

Idle - Variant 2

`idle_east_2`

A second one-shot east-facing idle performance that adds variety while Bai Mitko is waiting.

FRAMES	RATE	DURATION	LOOP
36	**13 fps**	**2.77 s**	**No**

Directions: East source + mirrored west

Used by: Character controller - automatic idle selection

Source: `bai-mitko-idle-east-2.zip`

Start Middle End

LIVE

IDLE

Idle - Variant 3

`idle_east_3`

A third one-shot east-facing idle performance selected automatically during inactive moments.

FRAMES	RATE	DURATION	LOOP
36	**14 fps**	**2.57 s**	**No**

Directions: East source + mirrored west

Used by: Character controller - automatic idle selection

Source: `bai-mitko-idle-east-3.zip`

Start Middle End

LIVE

IDLE

Idle - Variant 4

`idle_east_4`

A fourth one-shot east-facing idle performance that breaks up repeated neutral poses.

FRAMES	RATE	DURATION	LOOP
36	**13 fps**	**2.77 s**	**No**

Directions: East source + mirrored west

Used by: Character controller - automatic idle selection

Source: `bai-mitko-idle-east-4.zip`

Start Middle End

LIVE

IDLE

Idle - Variant 5

`idle_east_5`

A fifth one-shot east-facing idle performance used as part of the character's randomized idle behavior.

FRAMES	RATE	DURATION	LOOP
36	**10 fps**	**3.60 s**	**No**

Directions: East source + mirrored west

Used by: Character controller - automatic idle selection

Source: `bai-mitko-idle-east-5.zip`

Start Middle End

LIVE

IDLE

Idle - Variant 6

`idle_east_6`

A sixth one-shot east-facing idle performance that returns cleanly to Bai Mitko's neutral stance.

FRAMES	RATE	DURATION	LOOP
36	**10 fps**	**3.60 s**	**No**

Directions: East source + mirrored west

Used by: Character controller - automatic idle selection

Source: `bai-mitko-idle-east-6.zip`

Start Middle End

LIVE

TALK

Talk - Long Sentence

`talk_east_long_1`

An east-facing speaking performance timed for a longer sentence, with broader sustained conversational movement.

FRAMES	RATE	DURATION	LOOP
25	**12 fps**	**2.08 s**	**No**

Directions: East source + mirrored west

Used by: Character controller - automatic talk selection

Source: `bai-mitko-talk-east-long-1.zip`

Start Middle End

LIVE

TALK

Talk - Short Sentence

`talk_east_long_2`

An east-facing speaking performance for a short sentence, ending sooner than the long dialogue variant.

FRAMES	RATE	DURATION	LOOP
36	**12 fps**	**3.00 s**	**No**

Directions: East source + mirrored west

Used by: Character controller - automatic talk selection

Source: `bai-mitko-talk-east-long-2.zip`

Start Middle End

LIVE

TALK

Talk - Single Word

`talk_east_short_1`

A brief east-facing speaking gesture intended for a single word or very short reply.

FRAMES	RATE	DURATION	LOOP
16	**12 fps**	**1.33 s**	**No**

Directions: East source + mirrored west

Used by: Character controller - automatic talk selection

Source: `bai-mitko-talk-east-short-1.zip`

Start Middle End

LIVE

REACTION

Reject Action

`reject_east_1`

Bai Mitko gives a negative or refusing response when the player tries an action that he will not perform.

FRAMES	RATE	DURATION	LOOP
36	**10 fps**	**3.60 s**	**No**

Directions: East source + mirrored west

Used by: Character controller - automatic reaction selection

Source: `bai-mitko-reject-east-1.zip`

Start Middle End

RUNTIME-READY

ACTION

Look Into the Distance

`look_into_distance_east_1`

Bai Mitko shades his eyes and looks into the distance with a slightly confused expression.

FRAMES	RATE	DURATION	LOOP
16	**6 fps**	**2.67 s**	**No**

Directions: East source + mirrored west

Used by: Not assigned to a story hotspot

Source: `bai-mitko-look-into-distance-east-1.zip`

Start Middle End

LIVE

ACTION

Take Object - Forward

`take_east_forward_default`

Bai Mitko reaches forward to collect an object; currently staged for taking the unpaid bills in the apartment.

FRAMES	RATE	DURATION	LOOP
16	**12 fps**	**1.33 s**	**No**

Directions: East source + mirrored west

Used by: scene.chapter1.apartment / hotspot.apartment.unpaid_bills

Source: `bai-mitko-take-east-forward-default.zip`

Start Middle End

LIVE

ACTION

Open Apartment Window

`opens_window`

Bai Mitko approaches and opens the apartment window as part of the window interaction.

FRAMES	RATE	DURATION	LOOP
10	**12 fps**	**0.83 s**	**No**

Directions: East source + mirrored west

Used by: scene.chapter1.apartment / window

Source: `bai-mitko-opens-window.zip`

Start Middle End

LIVE

WALK

Walk - Brisk Away / Back

`walk_north_loop`

Owner-selected original-walk New Direction export mitko-fast-walk-away-loop-3s-new-direction-c10; 36 frames / 864 ms native timing. Owner-approved runtime with same-source settling. Previous source retained.

FRAMES	RATE	DURATION	LOOP
36	**41.67 fps**	**0.86 s**	**Yes**

Directions: North source / back view

Used by: Character controller - automatic walk selection

Source: `mitko-fast-walk-away-loop-3s-new-direction-c10.zip`

Start | Middle | End

LIVE

WALK

Walk - Brisk Toward / Front

`walk_south_loop`

Owner-selected original-walk New Direction export mitko-fast-walk-toward-loop-3s-new-direction-c11; 16 frames / 960 ms native timing. Owner-approved runtime with same-source settling. Previous source retained.

FRAMES	RATE	DURATION	LOOP
16	**16.67 fps**	**0.96 s**	**Yes**

Directions: South source / front view

Used by: Character controller - automatic walk selection

Source: `mitko-fast-walk-toward-loop-3s-new-direction-c11.zip`
